Conghua Racecourse

1 Tracks

- Conghua Racecourse has one turf track (2,000m in circumference), two all-weather dirt tracks (respectively 1,780m and 1,600m in circumference) and an uphill gallop (1,100m)

2 Owners' Lounge

- Owners' Lounge has changing rooms and showering facilities for owners to freshen up and enjoy refreshments during their stay

3 Trainers' Pavilion

- Owners and trainers can watch the trackwork from 2/F and 3/F of the Trainers' Pavilion

4 Equine Swimming Pool

- The equine swimming pool offers both a straight swim and round swim of 70m with water depth of 2.6m

5 Stables

- There are a total of 9 stable blocks, 8 of which are single-storey stables and 1 double-storey stable, for the live in-training horses
- Each single-storey stable is divided into two wings for two trainers and has 68 stalls in total
- The double-storey stable has 60 stalls on each floor and a total of 120 stalls in the stable

6 Spelling Paddocks

- There are 20 spelling paddocks at the base of the site allowing horses to be turned-out for relaxation or rehabilitation. The largest of the paddocks is 30m x 53m while the smallest is 20m x 40m

7 Uphill Gallop

- The uphill gallop is a straight 1,100m rising a consistent 1.54% from start to finish, the first of its kind in the Mainland and Hong Kong

8 Veterinary Hospital, Farrier Forge

- The Veterinary Hospital has a floor area of 4,928m² and is equipped with two exam rooms, an x-ray unit, anaesthetic and operating suites with full support facilities, stalls for administering intensive care, a clinical laboratory and a small isolation unit
- A rehabilitation unit includes three chilled, salt-water spas and an aqua treadmill
- The farrier forge offers 457m² of working space
